Assistance with Government Reporting • Auditing & Controllorship Functions

# WHO WE ARE...

## THE FIRM

**J. Casperson & Associates Ltd.** is a member of the Certified General Accountants Association of British Columbia. We offer a wide range of integrated financial services including accounting and auditing, business advisory services, computer consulting and training, assistance with government reporting, monthly bookkeeping and office support, corporate and personal taxation and planning, personal financial planning, management consulting, and controllership functions. We have a wide variety of clients ranging from small owner-managed companies to corporations and not-for profit organizations. We work from our place of business as well as going out to our client's.

## THE TEAM

**Jindra Casperson, C.G.A.** has been in business for over twenty years, and is dedicated to ensuring that clients receive excellent value, quality and service, and is committed to helping them attain and maintain financial health. Our team is highly qualified, motivated and reliable, and each member contributes special skills and expertise tailored to each situation. We take an integrated approach to accounting and management services, to help clients meet their day to day tasks as well as achieve their long term goals. We have the desire and knowledge to help businesses, organizations and individuals succeed in all their endeavours, and are committed to providing our clients with financial solutions that will allow them to achieve the success they deserve.

**We believe that there are certain factors that make our firm unique and especially qualified to service your business and individual needs:**

- We have built and trained a staff of professionals with an extensive wealth of talent, experienced in all aspects of accounting, business management and taxation. Because of this diversity we are able to service almost any organization and assist them with both their internal and external needs.
- We strive to develop a custom approach to meet our client's needs, and analyze the cost benefit in developing a solution. We are proactive, and concentrate on being responsive to client's needs throughout the year.
- We take a hands-on approach with our clients, and maintain a close and constructive relationship at all times.
- Unique from other accounting firms, we have a monthly client services division, which has an efficient, systematic, and cost effective system of servicing clients on a monthly basis.
- We have close alliances with other professionals, which enables us to provide clients with resources in all areas of business.
- We believe that through lifelong learning and by keeping on top of new and changing legislation we can help our clients realize their greatest tax advantages and optimal financial growth.
- We pride ourselves on maintaining high standards and ethics, and as a result have managed to establish a leading reputation for the quality and value of our services.
